All of us at Daigger Angus would like to thank you for your past attendance and patronage of our annual bull sale. This year's sale falls on April 5th, 2011. This year's bulls offer very strong EPD packages with phenotypes to complement them. Take some time to look over these sheets, and we hope you will agree. The green-shaded boxes represent values that fall in the top 10% of that breed's EPD. Yellow-shaded boxes represent a top 25% value. As you can see there are some bulls that excel at many of their Epds. Individual performance data is available on our website at [www.daiggerangus.com](http://www.daiggerangus.com). Pictures and additional information will also be online, so please take a look. Catalogs will be mailed out in mid-March. Feel free to call John at (308) 532-4905 or David at (308) 520-3015. We'd love to hear from you, and we look forward to seeing you at this year's sale.

Thank you,  
The John Daigger Family  
The David Orr Family
