All of us at Daigger - Orr Angus would like to wish you a belated Merry Christmas and wish you a Happy and Prosperous New Year. We hold a great deal of optimism for 2012. We would also like to thank you for your past attendance and patronage of our annual bull sale. This year mark's John and Pat's 24th annual bull sale. This year's sale falls on April 3rd, 2012. This year's bulls offer strong EPD packages with phenotypes to complement them. Take some time to look over these sheets, and we hope you will agree. The green-shaded boxes represent values that fall in the top 10% of that breed's EPD. Yellow-shaded boxes represent a top 25% value. As you can see there are some bulls that excel at many of their EPDs. Individual performance data is available on our website at www.daiggerangus.com. Pictures and additional information will also be online, so please take a look. Catalogs will be mailed out in mid-March. Feel free to call John at (308) 532-4905 or David at (308) 520-3015, and come see the bulls at any time north of John's house. We'd love to hear from you, and we look forward to seeing you at this year's sale.

Thank you,

The John Daigger Family
